Brothers and Sisters

We had a wonderful time at the campground this July 4th holiday. I want to thank all of my officers who came out to help and the committee folks that were also there to help. We were able to raise a considerable amount for

the campground to use for whatever. Before expenses it was \$1300.00, after expenses in the \$800.00 range went to the campground. I would like to say "thank you" John and Jeff Blades for cooking the pancakes and eggs and for al their help around the Jesse T. Jones Park. Also "thank you" to all the helpers and to Shirley for breaking the eggs. We could not have done so well without the teamwork we had.

I am having a great time visiting the Lodges and look forward to more of the same.

**I must ask you to READ the Code if you are surrendering your charter. You cannot give your money to anyone as it must be kept by the Grand Lodge for three years in the Charter Surrender fund in case you can reactivate your Lodge.** I am sorry to say we left some hard feelings at one lodge because this was not looked after by reading the CODE first.

I hope we remember to thank everyone for doing the work they do for our Order. Since we are an all volunteer organization we do like to get patted on the back for a job well done. We should try not to criticize when someone does make a mistake, especially not in public. Be kind and take them aside to let them know what was in error.

Remember, my cell phone number is (541) 517-5195, I am only a call away.

Jim Provins,  
Grand Master

## THANK YOU!

I want to thank everyone who helped make our Assembly sessions and my year a success. To the delegates who give so graciously of their time year after year, I extend a special thank you, you are the Assembly. Without you we would not be able to function. There were so many there that I was unable to visit with personally, I wanted to give each and every one of you a great big HUG!, but unable to! When I see you this year, please come up and remind me of your hug, because everyone needs a hug or two every day. Hugs are essential.

Thanks to my committees who performed so beautifully, and for the many scrapbooks I received. There was a lot of work that went into them, and when things settle down and I have found room for everything, I know I will enjoy looking at them.

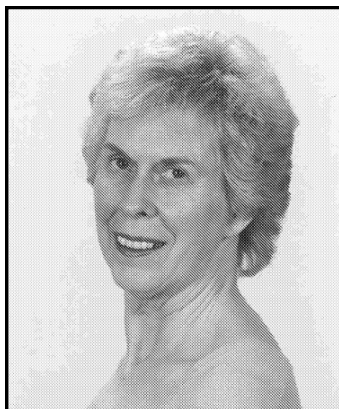

A very special thank you to the sisters who stepped in at the last minute to fill vacancies. To my Assistant Marshal, Darlene Rousey, who was unable to be with us due to surgery, I truly Missed your beautiful smile!

Thank you for everything.  
In Friendship & Harmony,  
Nancy Carter, Jr. Past President

# ASSEMBLY PRESIDENT *SHIRLEY HAHN*

It was good to see some of you at the Park over the 4th of July Weekend. Since this was hosted by the Odd fellows and Rebekahs this time, there was a lot to do, but it was fun working together. As with so many things, Vangy didi most of the planning and a lot of the work, and John Blades

was a big help to her with the breakfasts. I will leave the reports to others and just say that all enjoyed a good time.

My Reception was wonderful and I truly owe another big Thank You to my Hillsboro Lodge for all their work, and to all who came to share the event.

As I sit in my bus at Portland airport waiting for flights to come in with passengers to take to their hotel, I think of the first time I did this. What a challenge it was to me and what panic I felt trying to find my way around, getting through gates, traffic and the many unknowns! I made some mistakes, but at the end of it all I got through it and later realized it was all good training for me. Our trip orders each day are usually new and varied. Each is a real learning experience, though I may not recognize it at the time! Usually they are a stressful challenge with lots of little wrinkles, but there are always little rewards along the way and REST (well, at least some) at the end of the day. I may not be thankful at the time to my brother for getting me into bus driving, but I have learned that I am capable of things I never thought I could do! Now I think that is probably true of all of us and we may never know it if not nudged into trying new things. After all, the Good Lord wouldn't dump me into a situation if He knew I couldn't handle it! Trust...right?? It occurs to me that this is a mirror for the rest of my life in general! So many daily challenges, big and small, and always rewards we may not even notice. Many times I get through the day "on a wing and a prayer"-well, lots of prayer. Later I may realize that I got through it by the Grace of God! Sometimes I can look back and see where He truly gave me the guidance I needed when I needed it most (Angels?) Seems like that helping hand was a reward to me and I am expected to pass it on by offering a helping hand, in turn, to someone else. Have you ever noticed

that sometimes when you hold out a hand for help He may take it and give you a "hand up", or you may find it grasped by someone else who is looking to YOU for a hand up? Sounds like another reminder that we should always be ready to "hold out the hand of Friendship" to others.

This will be my first IARA Session and I look forward to it as another Challenge, knowing there will be many rewards and new friends I will treasure for a long time. I have heard lots of advice and pointers, which I welcome and appreciate as little helping hands along the way.

Enjoy your summer and take any opportunity do even a small kindness to someone else. Remember, "Little Things Mean A Lot!"

I hope to see many of your friendly faces at IARA, at our Park on labor Day Week-end, or in my travels. Watch the September paper for reports of summer activities and my coming itinerary.

In F. L. and T.

I have visited all the Encampments this year and find that one of our biggest problems is communications between the Encampments and their members. Just a phone call, a letter, a post card, or an E-mail could make a big difference in a poor turn out with just enough to have a quorum, and having a well attended meeting.

In planning a meeting the Chief Patriarch needs to work with his secretary and other officers. Your officers and members need to take part in planning your meeting and your year. As a wise person has said "We do not plan to fail, We fail to plan". Take the time and effort to bring your members into the planning especially those that do not come to the meetings. This will give them the impression that they are a part of your Encampment and that they are needed, and wanted. All Encampments need every member. Is your visiting committee checking on those that are not coming and reporting why? It is important to the Encampment to know.

By the time you receive this paper we will have had a meeting in July to work on the Sessions and what we hope to accomplish for the future. Consequently, today, I have no answers to any questions to write about. The next paper should have more details.

I need to make sure and say "thank you" to each member for all that they do for the Order, in every Unit of the Order, we sometimes forget to say this and none of us should. September is the Auxiliary and Encampment weekend at the Jesse T. Jones Park. The menu is good, the program with games is good so let's see if we can't have a great time. We will once again meet new people, greet our old acquaintances and just get together for friendship.

Don't forget our Mexican Fiesta, it is the fundraiser we are having for the Auxiliary and Encampment.

Remember your shut-ins, send a card or even just go for a short visit. It is always good to see a friendly face.

After our return from Rebekah assembly and giving our delegates' report, it was stated that we had way too much FUN. Yes, we did in many ways, with rainbow colors, raising money for the Eager Beavers, collecting money in a "fancy" bra, doing skits etc.

We make our monthly lodge donations for the summer to the Washington County Food Bank, Ronald McDonald House, Monika's House, and KEX Kids Fund.

We all shared our summer plans for trips, working at the county fair, and those jobs that we all needed to do.

We also managed to squeeze in our summer dinner in July between everyone's plans.

I must say "thank you" for the many lodges that sent their per capita dues in even though they were out for the summer. Wonderful! I always marvel when I see how you secretaries really work for this Order. You are wonderful in the sense of trying very hard to help me get all my figures and monies in on time. How many of us have friends like that??

I would also like to "thank" everyone that came out to the Jesse T. Jones Park over the 4th of July and pitched in working. We had a wonderful time and enjoyed all the friendship and the helping hands. We had good food and it was something to see our elected officers wash dishes, cook, spoon up food items, keep putting on clean tablecloths, keep the food hot and serve the food. I saw Shirley, our President, breaking eggs and Jim, our Grand Master, spooning up sausage gravy for the biscuits-what team work. I also saw Joan who talked to everyone, stranger or member-saw the Grand Master's officers spend time together just chatting on issues-watched John Blades and Jeff cook the pancakes and eggs to everyone's satisfaction-and Nancy and Charlie wash dishes, over and over again for everyone. I enjoyed spending extra time with Patty Olson discussing hotels, motels for Sessions and Vickie's Testimonial. At the Park we have extra face to face contact which is great!!! It seems a long drive to go to Portland, at times. The team work between Grand Lodge and the Rebekah Assembly was excellent and what our Order stands for, Friendship, Love and Truth.

I need to ask the Secretaries a very big favor. When you send in a name, please make sure it is written clearly with a good address and a complete telephone number. Sometimes, they are hard to read.

Take care and look after each other!

**Eta # 94 with Club Community Service Trophy**

**Fun at Theta Rho Assembly**

The Lorane Eta Theta Rho Girls Club # 94 attended the 75th Annual Session Theta Rho Assembly of Washington on June 19th & 20th in Yakima . Sessions were presided over by Cassidy Feist President from Grays Harbor Theta Rho Girls Club # 92.

Friday started the fun weekend with eight girls and three advisors meeting at the Lorane Rebekah Lodge and heading north to Yakima. The girls accidentally met up with Vicki Beaver at Cousins Restaurant, our lunch stop in the Dalles, and had a nice visit with her. Eta # 94 girls arrived in Yakima Friday evening and were greeted there by an excellent BBQ, hosted by the Washington JJYC. At the BBQ the girls reunited with friends they had met the previous year, and met and mingled with new friends from the four Washington clubs. After the BBQ the girls attended a fun night where they presented a skit and then wrapped up the late night with a pool party.

Early Saturday morning Assembly started with five Eta # 94 girls and one advisor taking the Theta Rho Assembly Degree. The other three girls and two advisors had attended the year before. Many of the girls were kept busy with different duties: Eta # 94 President Shari Russell was the theta Rho Banner Bearer, Emily Sanger was on the Courtesy Committee, Shayla Ream was the Page to the Warden and gave the Club Report, Sierra Lloyd was the Washington Flag Bearer, and BreAnna Clarence was on the Legislative Committee. The highlight of the morning session was six Eta # 94 girls participating in the Ritualistic Contest.

After lunch on Saturday, Assembly reconvened and Eta # 94 gave an Exemplification of “the correct way to enter if you come late to a meeting”. Shari Russell Was Elected as the Washington Theta Rho Assembly Secret-

ary. The new President Brooklyn Davies then appointed her officers including Emily Sanger as Theta Rho Banner Bearer, BreAnna Clarence as Right Supporter to the Warden and Sierra Lloyd as Page to the Warden. Assembly was then closed.

Saturday night the Eta # 94 girls attended the Theta Rho Banquet where they were presented with the Erica Norwood Memorial Award for the most new members, a trophy for Club Community Service, a certificate for third place in the fun night skits, and a check to help with next year’s scrap book. International Representative, Gregory Simpson presented Eta # 94 a certificate of Acknowledgement for taking extra effort to mingle and get to know girls from other clubs while at the BBQ. Individual awards were given to Shari Russell 1st place and Shayla Ream 2nd place for the Ritualistic Contest ages 12-18. In the Ritualistic Contest for ages 8-11 Emily Sanger took 1st place and Sierra Lloyd 2nd place. All four girls are members of Eta # 94.

Saturday night ended with Installation of the 2009-2010 Officers.

Eight tired girls headed home on Sunday morning talking about how next year will be even more fun.

EAGER BEAVER UPDATE

THANK YOU!

THANK YOU!

THANK YOU MEMBERS!

Thanks to the generosity of the members of the order who participated in the 3 raffles so far, the basket silent auction, the brown bag auction and a donation from the Past Presidents Association to date we have achieved approximately 25% of our goal for raising funds for the committee.

I have thus far received :

Past President Association donation	\$1000.00
Brown Bag Auction	1000.00
Basket silent Auction	1289.00
Raffle – afghan	149.00
Raffle- Casino weekend	721.00
Raffle- Rhoda Davis surprise box	509.00 ( China cup & saucer)
Individual and Lodge donations	568.50

So we have crossed the \$5,000.00 mark. What a Great way to begin. We also have \$1000.00 still coming from Grand Lodge in matching funds for the Brown Bag auction. So you see we have made a great start.

It is the intention of this committee to keep the members of the Jurisdiction informed on our progress, needs, upcoming events, and plans. As many of you who were at session know, we are selling re-useable Grocery Totes for \$5 each. They come in 5 colors, Hunter Green, Royal, Black, Red, and Purple. They have the 3links on the side and are a great way to advertise the order while being conscious of the environment and making an effort to “GO GREEN”. Several around the state have some to sell, if you would like to purchase some and don’t know of anyone who have them let me know and I will either put you in touch or make arrangements to get some to you.

We still need some shoe bags made for gifts. If you have some material (any color or print) and have the time and ability to do some sewing, I have the pattern and can send it to you. Also we will be having a craft table at sessions, so if you have something you would like to donate to our cause it will be greatly appreciated. For anyone who does yarn crafts and needs some yarn we have had yarn donated to the cause and I will see that you get it. Let me know.

We hope you plan on attending the CASINO NIGHT sponsored by the lodges in the Lebanon, Albany, Corvallis area. Watch for more information elsewhere in the paper and in upcoming articles.

June 25th, we at Salem Rebekah Lodge No. 4 honored Mary Kuhn who celebrated her 101st birthday with a card shower and cake. She is still very active and usually attends lodge.

We took ourselves, the cake and lots of cards to her at home, after our meeting closed, and used that as part of our Good of the Order. She was exceptionally pleased we would do that for her. We all had a lovely time.
