An Amazing Story From Mt Scott / Star No. 188

Ann & Dick Akins
with some sleeping bags & socks

Ten years ago, a very devoted couple, Richard and Ann Akins, were driving past some homeless individuals in downtown Portland Oregon and they were moved to help. They went to the nearest sporting goods store and purchased fourteen sleeping bags. How were they going to distribute them? They prayed for guidance. The answer was to donate them to Saint André Bassette Catholic Church (Downtown Chapel). The Akins answered the Holy Spirit's call by giving their Time, Talent, and Treasure.

That Thanksgiving, the Akins hosted a Thanksgiving dinner with family and friends. During the

Thanksgiving Grace, they gave thanks for the inspired direction in helping the homeless of Portland. During dinner, the Sleep Bag Story was told. God was ever present. There was an outpouring of love and this small group gave of their Treasury to purchase fifty sleeping bags for the next year.

But, this is not the end of the story. The Spirit was not done and then moved a friend to ask Mr. Akins if they could pool their Time and Talent, so they could do even more. They spent the next year planning how to get the story out. In 2010, *Continued on page nine...*

Grand Master Gary J. Kniss

Yo Mateys,

We are in the month of February and as we all know the beginning of the month finds us looking to the Ground Hog to see if we will have an early spring or six more weeks of winter. In the middle of the month is a very traditional day, that being Valentine's Day. A day of love. It was originated from several different sources. When a Roman Caesar banned marriage, a priest continued to allow couples to love and as a result was executed. His name was Valentine. Another event was an individual who had been jailed named Valentine began to know the jailer as well as his daughter. He left a note for her one day and signed it from your Valentine! A Roman fertility festival called 'Lupercalia' tied in with our current Valentine's Day. While in those times most people could not read or write, it became fashionable to draw the heart when trying to gain someone's attention or affection.

Today on that day we most often use heart shaped cards or cakes and many times use the phrase "from your Valentine" or "Be my Valentine."

Brothers and Sisters again we as Odd Fellows have a step up on many in society as one of our tenants is Love as well as Friendship and Truth. I know we practice this in our ongoing lives on a continuing basis as we have for nearly 200 years. As we say every time we gather together during our Valediction. Let's remember the F, L, & T is best practiced when we offer support instead of criticism. Before our actions or planning think about what is right and for the good of the Order.

As I venture through the state doing lodge visitations, it is enjoyable to see good people doing good things. To the lodges I have yet to visit I look forward to spending time with you.

Every effort we do with our Order is building, tomorrow, today. Remember Brothers and Sisters success begins with US.

It is good to be close, but always leave some room for difference! ~Bobby Lowe

Living Legacy Program Needs You!

Yes, indeed The Living Legacy needs every Lodge in the Grand Lodge jurisdiction to join in the Living Legacy Program. It is easy and we all do in some part, big or small, help planet earth with living things. Any plants, shrubs, trees, flowers, vegetables as well as ground cover counts as it enhances the earth's livability. So, whether it be a huge reforestation project or a house plant it all counts. Please have your Vice Grand get the count of your members or Committee if you have one and *send it to Grand Lodge no later than April 15th.*

This will help us; the Grand Lodge of Oregon support the Sovereign Lodge (International) "Living Legacy Program" which in turn benefits **Mother Earth**. Thank you Brothers and Sisters and we look forward to your reports coming into The Grand Lodge Office.

Assembly President Brenda Spence

It is a beautiful sunny day as I sit here writing this. This time last year we had snow on the ground and it was oh so cold. You just never can predict life can you?! Therefore I believe we must live life one day at a time and take everything as it comes. Make plans, yes, but don't get discouraged when things happen to get in the way, just regroup and carry on. That is part of what life is all about, that is what keeps life interesting.

How are you doing on your bylaws? I know it can all be a little confusing so if you need help please don't hesitate to call Mary, Rebekah Assembly Secretary or myself, we would be happy to help. Did you get your annual reports turned into Mary in time to be on the honor role???

Here is a big shout out to the Lorane Eta Theta Rho Girls Club. I had a GREAT visit with them and boy do they know how to have fun!! I pray they never lose that precious gift. We could all learn from them the ability to have a ton of fun and yet get their business done. Thank you ladies for a wonderful time!

I still have a few lodges that I have not heard from concerning my visitation, so please get your response to me ASAP so I can get you on my calendar.

Remember this month is Valentine's Day – make someone smile by letting them know you are thinking of them. Be someone's ray of sunshine and flutter into their day. God Bless and I will be seeing you down the road.

Theta Rho President Stephanie Wigle

Hello Everyone!

I hope everyone is doing well, I have been great! I am starting up a new year of Caravan which is a youth organization for my church and meets once every month and then in June. The June trip starts after school and we get to go on a week long trip and I'm so excited! I have been doing well in school, and we're almost halfway through the year.

I also want to tell you my new project because I had to change it. It will be the SGL/IARA Vocational Technology Scholarship. I chose this because I want to still help youth and this is a scholarship for high schoolers who just graduated high school. I also added a new fun song called Oreo.

I want to thank everyone again for your love and support last year and this year!

In Happiness Through Service,
Stephanie Wigle

It's a Small World

Jackie Caizza from Sylvia Rebekah Lodge No. 43 said her great granddaughters made homemade Christmas Cards for a senior facility. Their parents took them to deliver the cards in person. Little did they know, that they took a picture of resident Mary Farster from Sylvia Rebekah Lodge holding Jackie's 5 month old great granddaughter Emmersyn. "I was so happy to see Mary as well as all of my great granddaughters. It is such a small world."

It is my hope to see more representatives at our Grand Lodge sessions in May.

A special note. Please update your Lodge card if your Lodge has changed officers. We do not know who your new officers are until you let us know.

Have a great February.

From the Desk of the Assembly Secretary *Mary Houle'*

Hi everyone,

The New Year is going well for me and I hope it is going well for you. Have a wonderful Valentine's Day and visit a member who may be a bit lonely.

Thank you to all of the secretaries who have their annual reports into my office. I really appreciate it. You are making my job so much easier. If you have not sent in your annual report please get it to me as soon as possible and feel free to give me a call if you need help.

The paperwork for selecting District Deputy Presidents, Lodge Deputy, Delegates and Alternates should be at all lodges by now. Please get the slips back to me as soon as you can so that President Brenda and I can get to work preparing for your Oregon Rebekah Assembly Sessions.

Everyone should have their 2018 - 2019 lodge officers elected by now. District Deputy President's should be making sure that everyone is qualified to be installed.

We close the financial books for the year at the end of February so if your lodge has any donations they would like to have recorded for the year please get them to me by February 25th. Also, please get any legislation, resolutions or petitions to me so that they can be given to the appropriate committee and be ready for sessions.

Be sure to save May 16 - 18 for Rebekah Assembly Sessions in Seaside and join us for some friendship, love and truth while we do the work of our Order.

Chemeketa Lodge Holds Homecoming Dinner

On January 11, 2018, Chemeketa Lodge No. 1 held their Homecoming Dinner. "Homecoming" is a celebration of the beginning of our lodge here in Salem in 1852. Originally, this was held the first week in December (which was when our lodge began in 1852), but for the last few years we have moved this to early January. That gives us all a chance to survive Christmas first! :)

Our lodge has been in our current building about 22 years. Before that we had built and owned what most people know of as the Grand Theater in the middle of Salem. I believe that was built in 1902. We do have ALL of the records of the lodge, but off the top of my head I don't know where our lodge met before 1902. (NO! I was not around! LOL)

Last night we had 57 people for dinner (give or take a few, since everyone was continually in motion). It was a great dinner and lots of good fellowship. Roger That BBQ provided pulled pork sandwiches and everyone brought side dishes (lots of side dishes!!). We had 30 lodge members there, 2 new candidates, plus various family members and Rebekahs. Thanks to everyone who put things together and all who stayed to clean up!

Oregon and Washington Rebekah Lodges Share Holiday Festivities

It was a special treat for Integrity Rebekah Lodge No. 175 (Milton-Freewater, OR) to join Narcissa Rebekah Lodge No. 2 (Walla Walla, WA) for their Christmas gathering. The occasion was a White Elephant Auction at the Washington Odd Fellows Home. Everyone brought sack lunches and bid on many lovely and useful gifts. The event raised \$151 for Tabitha's Closet. Tabitha (Karen Morasch) loans prom dresses and tuxedos to area students. This was started several years ago.

Seafoam Rebekah Lodge Donates to Nonprofits

Seafoam Rebekah Lodge No. 250 made the holiday season a bit brighter with \$20,000 in donations to several local, county and state nonprofits.

Seafoam's Secretary Babe Bogeart said the money comes from the interest earned from investments that were made by the lodge years ago.

Every year at this time they collect the interest they receive from the investments and give it away to charity. Seafoam was established in 1937 and for 80 years they have been giving away that money, which amounts to probably \$1 million. They have touched the lives of many people.

The people impacted include young children to the elderly, and programs impacted includes Meals on Wheels and the Lincoln City Backpack Program.

The donations were made in early December at a check presentation at the Seafoam Lodge in Lincoln City. The donations include \$1,000 to the Lincoln City Eagles Club, \$1,000 to the Lincoln County Children's Advocacy Center, \$2,000 to the Episcopal Parish of St. James Santiago, \$1,000 to the North Lincoln Fire & Rescue and \$1,000 to the Oregon Arthritis Foundation.

It was a special holiday treat when Narcissa Rebekah Lodge No. 2 of Walla Walla was invited to join Integrity Rebekah Lodge No. 175 for a Christmas luncheon. We gathered in the Odd Fellows Hall in Milton-Freewater, Oregon. The buffet table was set with waldorf, potato and tossed green salads with spaghetti and chicken casserole. A mouth-watering dessert bar and beverages followed the entrees.

Narcissa Noble Grand Jeanne Elder thanked our hosts, saying, "The setting is lovely and the food delicious. . ." Integrity officers are: Nancy Mills, Noble Grand; Theresa Weaver, Vice Grand; Kathy Silva, Secretary; and Kelly Cooper, Treasurer.

Grand Master Gary Kniss Makes Official Visit to Philetarian No. 8 in Roseburg

Dick Akins with some sleeping bags before delivery

An Amazing Story, continued from cover:

they put their modest plan into action and raised enough (about \$3,000.00) to help one hundred fifty homeless individuals receive sleeping bags.

The Spirit moved the friend to offer his Talent of planning fund raisers and in 2011 an event was scheduled. He and Mr. Akins started to Tell the Story and the Spirit moved people to donate their Time to prepare and serve a typical dinner served to the homeless. Samaritan Lodge No. 2 offered their lodge hall. Omaha Woodmen Chapter No. 1946 offered to donate money for the food and other expenses. Just by asking for help, all the expenses were donated.

As they were out Telling the Story, Edith Brown from Shamrock Lodge No. 113, wanted to help but fiscally could not donate from her Treasury and did not have the strength to give her Time to the event. Mrs. Brown has the Talent to knit hats and asked if this donation of her Talent could be offered up. It was readily accepted. As she knitted hats, she told the Story and Florence Leis and Janie Long, among others, joined her efforts. Over one hundred hand-knitted hats were donated from many individuals that year! And, their lodge, Mt Scott Star Lodge No. 188, donated all the yarn they could use.

When the 2011 event was over, four hundred and five sleeping bags (about \$8,100.00) were donated. Additionally, the hats, toiletries, clothing, and many other needed items were donated. The Spirit moved many to give from their Time and Talent and from their Treasury. Television station KATU recognized Mr. Akins as an "Every Day Hero."

By 2012, Mt Scott/Star Lodge No. 188 offered to be the main organization for the planning. From just Telling the Story, many organizations stepped up to help and Told the Story to their members who in turn gave aid. These organizations are: Assured Life of Denver Camp No. 77, Assured Life Association (Denver, Colorado), Woodlawn Lodge No. 171, Rose City Rebekah Lodge No. 171, Mt Scott/Star Lodge No. 188,

Knights of Columbus Resurrection Council No. 13851, Resurrection Catholic Parish, West Linn Lions Club, Woodmen Life Chapter No. 1946, and the list keeps growing each year. Many individuals also shared their Treasury to aid the homeless. And, more hats were knitted.

Through the ten years of Mr. Akins and others Telling the Story, many organizations have received assistance to help the homeless. These beneficiaries are: Saint André Bassette Catholic Church (Downtown Chapel), Impact NW (YWCA), New Answers for Youth, NightStrick, Rose Haven, St. Cyril Wilsonville, St. Francis Catholic Church, St. Francis of Sherwood, St. Joseph Shelter, St. Vincent de Paul, Underground, Volunteers of America, and others.

Through the years of Telling the Story, over 3,000 sleeping bags, just shy of 2,000 hand knitted hats, hundreds of pounds of toiletries and clothing, and many other items were donated to help the homeless, including tons of food. From a humble beginning, over \$60,000.00 has been raised and not one cent has been used for administration costs.

The statistics prove that one life is saved for every two sleeping bags donated over the winter season. This means that all volunteers, by allowing the Spirit to work, have saved over one thousand five hundred lives over the ten years.

Proving that God is always at work, this all started ten years ago, when Mr. and Mrs. Akins answered the call to help with fourteen sleeping bags and a mission to follow the Lord's teachings. Allowing the Holy Spirit to work within you, any small act of kindness can grow with help from God. Just allow yourself the gift to give of your Time, Talent, or Treasury and remember to Tell the Story.

P.S. A personal comment from Richard and Ann Akins – We thank all the individuals who have helped fulfill the needs of the homeless over the past 10 years. We look forward to your continued involvement in the future. We give special thanks to the author of this article, Charles Cloud. Mr. Cloud is one of the reasons this story can be told.

Outstanding!

Grand Master Visits Gold Hill

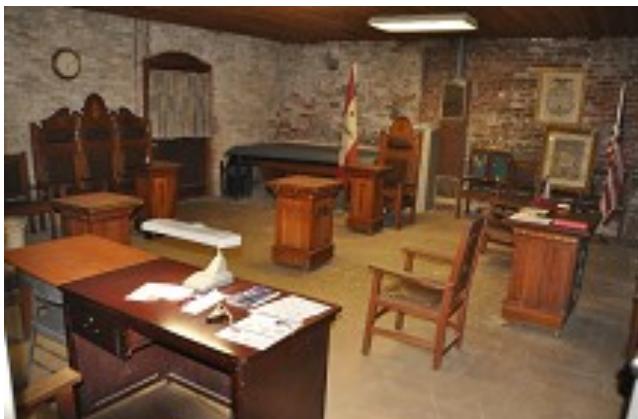

Grand Master Gary J. Kniss made his official visit to Gold Hill Lodge No. 129 on January 9th. Below are the members and visitors who were in attendance.

Although few in number, the members of the lodge are working hard to restore their lodge to make it a focal point for community activities.

They have removed the old floor and installed a subfloor and half of the old meeting room has been turned into a rental, the income used in their effort to restore the lodge. The other half will be used for community events and where they held the wonderful potluck dinner for the Grand Master.

Once the kitchen is complete it will also double as a dining room. They have converted the former recreation room into their meeting room which is just the right size for their current membership.

Grand Master Visits Grants Pass

Grand Master Gary J. Kniss made his official visit to Golden Rule Lodge No. 78 on January 10th. Below are the members and visitors who were in attendance.

During our meeting Noble Grand Mike Dunbar presented a check to Gold Hill Lodge's Noble Grand Pat to help them progress with their building renovations.

Before the meeting the Grand Master toured Josephine County: We started at the Hellgate Canyon on the Wild and Scenic Rogue River near Galice and then traveled over and through the woods to the Historic Wolf Creek Tavern & Stage Stop near I-5. Then up to Golden, a Gold Mining Ghost Town, before going to the covered bridge in Sunny Valley.
