# Grand Master *E. V. Smith*

Here it is the beginning of February, how time flies. It feels like it's the first part of January 2018 oops I meant 2019.

For some reason I must have the winter blues, I just can't seem to make any headway with all the things I have going on. I'm still working for the city of Culver, driving school bus when they need me, because, if you haven't seen the signs at almost every school, they need bus drivers. The average age of most school bus drivers is over 50. So if you're over 50 and want a job, call your local school. On top of all that there are the visits that I need to make to the Odd Fellow Lodges. It sounds pretty easy, but most of my trips are to the west side of the Cascade Mountain Range. That's about 37 Lodges to the west and about 10 Lodges to the east of me. There are only 2 lodges that are less than 30 miles from my house, all the others are over 100 miles plus from my home, one way. Oh yes, then there are family emergencies or honey dos, just remember God, Family, Country and Odd Fellows.

Well it's time to get started with some more of my visitations to the lodges, so let me apologize for not visiting your lodge in a more orderly and timely fashion. The lodges that I have visited, by the time you read this newsletter will have been for the most part, mainly from the south to the north from the Pacific Ocean to the Cascade Mt Range except for The Dalles, Klamath Falls, and Burns that are from the east side of the state or as we say, "God's Country".

The lodges that I visited in January were Peninsula No. 128, Montezuma No. 50, Occidental No. 30, Spencer Butte No. 9, Lebanon No. 47, and Dierdorff No. 54. In February the lodges that I hope to visit are Oregon No. 3 on Wed. the 13<sup>th</sup>, Villa No. 124 the 14<sup>th</sup> or 28<sup>th</sup>, Mill City No. 144 and Stayton No. 64 the 14<sup>th</sup> or the 28<sup>th</sup>. In March I hope to make it to Enterprise No. 153, Freewater No. 202, Farmers No. 49, Willow No. 66, Lexington No. 168 and my neighbor to the south of me Bend Lodge No. 218, only 30 miles away. Sorry to have to sign off but I must go and drive school bus.

## News From Jesse T. Jones Campground

Our year started off great. New Years weekend started off raining, but then we had 2 glorious days of sun.

We are having a work Day on February 16<sup>th</sup>. We have some trees down we need to get out of the way. We do appreciate all your help, as many hands make light work and it is fun to work together.

I want to remind everyone to make sure their Lodge membership cards are current **BEFORE** coming to the park. Also Secretaries please email me a list of your members who attended 4 meetings in 2018. The members get upset if they do not get the discount, but I cannot give it without the list from the Lodge Secretary.

See you all soon, we are going to have a great year.

## Be Grateful for all the Troubles you don't have....

This past month has been a real change in our lives. The husband, Dad and "bread winner" here is one of the many that are considered "non-essential" and has been off work for the past 26 days. I keep hoping to hear of some miracle that has been found but so far nothing in sight. He's bored, I'm stressed, the stove is on all the time filled with goodies that I'm baking, besides that I'm cooking dinner almost every night. The family is enjoying all the love and attention. But soon enough I'll be on the road again.

Life is not always what we expect but we have to live with what is dealt to us on an everyday basis, I suppose. The year 2019 has a bit of a kink in it but I'm looking forward to getting my visitations done and with only 4 more months to go I'm ready to get into the planning phase of our sessions.

New officers should be in place and installed by April 1st. If you have the same officers you don't need to have an installation. Our DDP Liz Adams has the members repeat the obligation instead. I've always felt that was a nice touch to things. It tends to put into perspective what is expected of us.

For those who are worried about my mental GPS?? Yes, I'm still getting off track a bit but finding my way to where I need to be. In the next few months I will be finishing the Area meetings. Please make sure to send the letters back I've mailed out to you, Some I will be calling or emailing because I haven't heard from you.

I also have seals for the unwritten work. I might have missed a couple of sisters this past fall. Remind me please if I haven't gotten them to you.

Here are a few special dates SGL/IARA has on the calendar.

March 23<sup>rd</sup>: Schuyler Colfax Day, the author of our Rebekah Degree

Month of March: Arthritis Month

April 20<sup>th</sup>: Make a Difference Day

April 26<sup>th</sup>: Founders Day, Commemorating the 200<sup>th</sup> Anniversary of the IOOF

A note to all Rebekah Lodges, March is Arthritis Month. Collect your change, plan a "fun"-raiser. Please make sure any money sent in for this committee goes to the RA Secretary with the words "Arthritis Fund" in the memo line of the check. Mary needs to know where the money goes. Thanks.

To the RA Executive Committee, we will have a meeting on Saturday, February 9<sup>th</sup> at Samaritan Lodge in Milwaukie. The Executive Meeting will be held right after the Area Meeting is adjourned. I hope most of you can make it. Any ideas, business or questions? Please bring them with you.

Make sure to check my itinerary for the visitations I have this month. Your attendance is very welcome. We need to support our lodges. And I love seeing all of you wherever I am.

I hope this month brings you lots of Love and Friendship. Remember our sisters and brothers who are unable to attend meetings. Thank you to everyone who has supported and sent messages to me. Hope to see all of you as I travel down the road.

In Friendship, Love and Truth,  
Denice Meeuwsen, President

# Grand Secretary's Corner

## Ron Kunze

Brothers and Sisters,

I would like to thank all of the Odd Fellow and Rebekah secretaries for completing their annual reports online. The Grand Lodge offered to assist Rebekah Assembly Secretary, Mary Houle' this year by setting up and managing the online reports and working with the secretaries to complete them. I'm sure next year the reports will be a lot easier for them to do. One important thing, is that you do not need to mail the report back to Mary or the Grand Lodge office. Each time you make an entry your answer is saved on the drive. There is no need to save the report. When you enter any of the answers, the drive automatically saves it for you. If you want to print a copy for your Lodge find the print symbol at the top left of the page and tap it, then a page will appear. Look to the right of the screen that appeared and you will see a blue tab that says "NEXT". Tap on that tab and a PDF version to print will appear. This is the same for both the Financial page and the Membership page.

If Valentine's Day did not exist,  
no flowers, gifts or cards,  
we'd search to find another way  
to send you our regards.  
We must communicate to you  
appreciation and respect,  
hoping our heartfelt message  
has a warm and good effect.  
But Valentine's Day is here again,  
so we send this poem to say:  
you're extraordinary, special, rare;  
Happy Valentine's Day! ~ By Joanna Fuchs

## Mary Houle'

Happy February,

The New Year is going well for me and I hope it is going well for you. Have a wonderful Valentine's Day and visit a member who may be a bit lonely.

Thank you to all of the secretaries who have their annual reports completed. I know the new online reports were different and challenging. If you have not completed your annual report please give me a call and we can finish it over the phone. After this first year of online annual reports it should get easier.

The paperwork for selecting District Deputy Presidents, Lodge Deputy President, Delegates and Alternates should be at all lodges by now. Please get the slips back to me as soon as you can so that President Denice and I can get to work preparing for your Oregon Rebekah Assembly Sessions.

Everyone should have their 2019 - 2020 lodge officers elected by now. District Deputy Presidents should be making sure that everyone is qualified to be installed.

We close the financial books for the year at the end of February, so if your lodge has any donations they would like to have recorded for the year please get them to me by February 25<sup>th</sup>. Also, please get any legislation, resolutions or petitions to me so that they can be given to the appropriate committee and be ready for sessions.

Be sure to save May 15 - 17 for Rebekah Assembly Sessions in Seaside. Come and join us for some friendship, love and truth while we do the work of our Order.

Fraternally,  
Mary Houle', Secretary  
Rebekah Assembly of Oregon

# Grand Patriarch *Lisa Corda*

The Grand Encampment had a great weekend at Jones Park, sunny and 80 degrees in January! OK, so maybe only half of that was true, but it was sunny just didn't quite get up to 80.

We were a small but mighty group which included two of our newest Encampment members, Bob and Christine Ladd. It was fun to have them with their excitement and fresh new ideas. Sheryl Rohde came and worked with us on team building and how to Boost The Encampment. We came away with some plans for new events and a smooth transition with the officers that will be installed at our session in May.

I really appreciated the support from Paran Encampment No. 29 for donating the main course for both potluck dinners and the culinary skills of PGP KC Carr, Paran's "Official Chef".

My congratulations to Willamette Encampment No. 2. When I visited they initiated a new member and accepted 3 transfers. They are doing what we all need to do to keep our Encampments growing and healthy. It was an honor to be able to witness the growth of this Encampment.

From our work at Jones Park we have planned a "Sock Hop" for our session May 14 in Seaside. More information will be provided, but I hope you can all get behind this friendly competition!

# Encampment Welcomes New Members

Dale Bolen and Kim Walters joined Golden Rule Encampment in December. Grand Patriarch Lisa Corda, sponsor, and Chief Patriarch Merrilea Manning welcomed them along with eight other members.

# Theta Rho President *Bethany Struthers*

Hello everybody,

I hope that you all had a great New Year and I hope that your year is already going well. I was able to spend Christmas with my family at my grandparent's house, and New Year's at my cousins' house. Both were extraordinarily fun and I had a wonderful time.

During the past month I have already been preparing for Theta Rho Assembly, with a lot of typing and putting things together. It has been stressful, but fun! I hope that everybody will find it to be both fun and educational.

This month I have my first visit with Spunky Bluebirds No. 93, and I am ecstatic to see all of their members both old and new, and how their club functions out of Theta Rho Assembly. I hope that I will find everybody well.

## Grand Master E.V. Smith Visits Peninsula No. 128

Grand Master E.V. Smith went straight from driving school bus in Madras, to driving the snowy mountain passes and into Portland rain, to visit Peninsula Lodge No. 128 on January 8. Traveling to visit lodges is a big part of being Grand Master and takes a lot of planning and coordinating of schedules. Peninsula was very honored and grateful for the effort required for the Grand Master to visit us, especially during winter.

The Grand Master gave a nice speech explaining his reasons behind his selected program and charities. He also gave the lodge some great advice on simpler ways to change a motion without needing to make lengthy amendments. After the meeting, he toured Peninsula's secure break room for Portland police officers, and was entertained with a musical presentation by the Muscovites. The Grand Master is himself a Muscovite, as have been the last five Grand Masters of Oregon. The current Grand Masters of Oregon, Washington and Idaho are all Muscovites, and the Muscovites have been working hard to support their charities and keep them entertained.

## A Challenge Has Been Issued

The IOOF was founded in the USA 200 years ago. I thought it would be great fun for us guys to grow facial hair and have pictures taken at our 2019 Grand Session. So, let's get our old timey look going.

## Sock Hop Competition

May 14th will be the biggest "Sock Hop" the Grand Encampment has ever planned. You say you can't dance, that doesn't really matter because this Sock Hop won't include a dance contest. The competition will be between all the Encampments in Oregon and which one will donate the most socks for the homeless. The socks must be new, and the winning Encampment will take home an awesome prize. Want to double the chances for your Encampment to win and do the most good for the homeless community? Enlist the assistance of your Odd Fellow and Rebekah Lodges to bring new socks to be put in with your donations. This will be a friendly competition, but a little "Trash Talk" will be allowed. One great thing about this "Sock Hop" is that the socks collected will not all be taken to the Portland area. We will be asking your District Deputy Grand Patriarch to take your sock donation back to your area to be given to a local agency that helps the homeless community. So it is time to get busy, start collecting new socks (pairs are best!) bring them all to Seaside on May 14<sup>th</sup> and let's see how much good the Encampments and Lodges do when they combine and show their "Strength in Numbers" to help the homeless. Which Encampment will take home the prize and bragging rights??

How do I love thee?  
Let me count the ways. - Elizabeth Barrett Browning

## Lorane Rebekah Lodge No. 252

Our annual Christmas bake sale was a huge success, the biggest ever. We offered a variety of cookies, candies, cakes and miscellaneous flavors of loaves of bread. Sande Maxwell, Tara Wigle and Alice Pellham were the sales people.

We gave our annual donation to the community Christmas baskets, which the Lorane Fire Department delivered to those in need.

We have a new roof on our restroom; which was added on to the hall. This was accomplished by Jonathon Wigle, who chose this project as his Eagle Scout project. He was able to complete the job at no cost to us by getting donations to cover the costs of materials. He did a real good job.

# Unused Christmas Cards Needed

Dear Brothers and Sisters,

I would like to ask your help. December, 2018 has come and gone. Many of us received Christmas Cards in the mail from different organizations asking for donations. Many are great groups, but now what do we do with the cards?

I have a solution, and it will help me with the cards that are delivered to the three buildings at the Holgate Complex in December from the Odd Fellow and Rebekah organization. If you would like to donate your extra cards it would be appreciated. Feel free to drop them off at the Grand Lodge Office and Melinda or Ron will see the I get them, or you can mail them either to the Grand Lodge Office or to my home address: Kathy Lake 3214 SE Holgate Blvd. Apt. 107, Portland, OR 97202.

I appreciate all of the help that you send my way. I feel blessed by having such a wonderful family that includes all of you around the state. This year will be my fifth year of getting the cards ready to send out for the Grand Master and Rebekah Assembly President. Between the three buildings there are around 250 cards to deliver.

I thank Jody Morris for asking me if I would like to handle this job, after I moved into Kennilworth Park Plaza four years ago.

In Friendship, Love & Truth,  
Kathy Lake

# Chemeketa Lodge No. 1 First Chartered Lodge in Oregon

Chemeketa Lodge No. 1 was first lodge to be chartered in the Oregon Territory, which at that time included all of Oregon, Washington, Idaho, and parts of Wyoming and Montana.

Chemeketa was founded in 1852 under the leadership and initiative of General Eli Mosley Barnum. He was the first Grand Master of the Oregon Territory, and the namesake Barnum Lodge No. 7. He was also one of the first trustees of Willamette University. In 1853 he was commissioned to supervise construction of the Oregon Territory Capitol Building, and in 1854 he was appointed Adjutant General of the Territorial Militia.

At the end of the first year of Odd Fellowship in Oregon, Chemeketa lodge had 33 members. From there the Order took off like a rocket. Lodges were instituted around the state, and two more opened in Salem - Anniversary Lodge No. 13, instituted in 1866, and Olive Lodge No. 18 in 1868.

Burying the dead was the major focus of Chemeketa Lodge and an obligation they fulfilled without prejudice. Records show that Chemeketa's Odd Fellows Rural Cemetery provided burials for African-Americans, Chinese, Japanese, orphans, inmates, and the homeless.

Salem's Odd Fellows earned the respect and admiration of their community. When Chemeketa laid the cornerstone for their building on June 13, 1900, it was such a big deal, even the schools were closed to allow the students to attend.

In 1919 Salem was chosen to host the Grand Lodge Session. Over 3,200 Odd Fellows and Rebekahs attended.

a general assembly of the Order was held in the State House of Representatives. A banquet followed with "a program of fun and mirth under the direction of the Muscovites."

When Chemeketa celebrated its centennial in 1952, the Capital Journal ran a "Special I.O.O.F." edition dedicated to Salem's Odd Fellows.

Now in its 167th year, Chemeketa No. 1, the first Odd Fellows lodge in the Pacific Northwest, is still active and thriving. With over 130 members, it's a great example for all Oregon lodges, with a history we all can be proud of!

## Chemeketa Lodge No. 1 Celebrated It's 166th Anniversary

On January 10, 2019 Chemeketa Lodge No. 1 celebrated it's 166th anniversary with a nice dinner and fundraiser. We had 50 people (members plus family) there. We had pulled pork sandwiches from our in-house BBQ place, "Roger That BBQ", plus potluck sides and desserts. As typical for Odd Fellows, we had a lot of food! It was a nice evening and we also asked for donations to Taylor's House. Two years ago, a homeless teen named Taylor died on the streets of Salem in the winter. Taylor's House opened just a month ago and has 12 homeless teens living there. The goal is to reunite them with some family through counseling. Our lodge collected \$415 to donate to the house.

The Odd Fellows and Rebekah Pilgrimage for Youth Committee has been hard at work to meet all the requirements of the National Pilgrimage Committee so Oregon can participate in the program. We are preparing By-Law changes that will be reviewed and, hopefully approved at the Grand Lodge session in May. The Committee will be working with the Grand Lodge IT Committee in hopes that our required paperwork can be made available on the website for all Lodges and Areas to have instant access to the information they need. We did make the decision that all Delegates to be sent from Oregon must be a resident of Oregon or an ACTIVE member of an Oregon United Youth Group or Theta Rho. Students that live in another jurisdiction will be encouraged to contact that state's Grand Lodge so they can participate in their own jurisdiction. The Committee will have the guidelines and criteria ready in time to send a delegation of students from Oregon for the 2020 Pilgrimage Tour! This Committee encourages all to keep working on fund raising efforts to help pay additional costs and sponsor students in your area. Every Student who has participated has described the Pilgrimage tour as a "Life Changing" experience. Let's keep changing our young people's lives in a positive way!

# Educational Foundation

The Sovereign Grand Master has proclaimed February as Educational Foundation month. So this would be a great time for our membership to consider making a donation. We have been blessed with having members from Oregon receive scholarships from this Foundation. The Educational Foundation is the oldest project of the IOOF, established in 1927.

Also for the Rebekah Lodges, in their Rules of the Order it states that each Lodge hold a coin drill for the Christine Smith Graduate Studies Scholarship. This is a great time to honor one of our Past Presidents.

It's time to think about starting on the application process for the scholarships that the Educational Foundation offers. The deadline is May 15th. The applications are on line at [www.ioof.org](http://www.ioof.org). If you have questions I will be more than happy to help you. You can contact me at [dvbeav@proaxis.com](mailto:dvbeav@proaxis.com) or by phone at 541-259-2373.
