I'm looking out my window and what do I see, clouds, rain, sunshine, it all depends on when you are looking, for we seem to have it all. At least it isn't snowing, but as we say around here, just wait a little bit and things will change. The farmers like to have more snow in the mountains, which is fine, but rain is not snow and I see on tv that the forecast is for more rain, so enough is enough. Yes, I would like to see the sun a little bit more. I got back from the Northwest Odd Fellow and Rebekah Association Meeting in Nampa, ID then made a few visitations. I went to Enterprise, Summerville and then made a visit to the Bend Lodge. If you have never had the chance to visit the Northeast part of the state you need to make a trip in the spring or early summer. The mountains and lakes like Wallowa lake which is just south of Joseph are so beautiful, along with all the animals and birds. I had a good time just talking to the people that live and work in the rustic communities of this area. One of the places that I enjoyed was Summerville with a population of 140 people. There is an Odd Fellow hall, Farmers No. 50 and Rebekahs, then just down the road there is a little gas station, store, post office and of course a bar & grill named, Summerville Tavern, which is rolled up in one building, the local watering hole. It made me feel right at home like on Cheers, where it seems like everyone knows you or will know you shortly. Sitting there I met some new friends, and some were Odd Fellows and Rebekahs.

Well moving on, it's about time for me to be thinking about my trip to The Tomb of The Unknowns at Arlington, VA on the first of May with a stop in St. Louis, MO to see my oldest sister. Then it's time to get home just in time to go to Grand Lodge in Seaside.

After all this running around, Denice Meeuwsen Rebekah Assembly President and myself had a Joint fundraiser on April 6<sup>h</sup> at Samaritan lodge hall. The theme was a Western Bar-B-Que. I thank all that helped to set up the fundraiser especially, Ron Kunze Grand Secretary, PGM and Shirley Mathews, Past President for a job well done.

A smile is the universal welcome. – Max Eastman

**"Best Friends are hard to find...Because the Best is already mine!!"**

Dear Rebekahs and Odd Fellows of Oregon;

One moment I was wondering how I'd get through the year and now?? We're here at the tail-end. So many moments of fun, laughter, getting lost and most of all enjoying the many friends I've met along the way. The hugs, words of encouragement, supportive notes that many of you sent to me, were so important and gave me the incentive to move forward when it felt like I needed to find a padded room to hide in.

By the time this article is out, I will have visited every lodge in Oregon. Right now, the hubs and I are packing to get ready for a week long trip to NE Oregon (Milton Freewater, Summerville and Lexington). Unity No. 51, Bay City on April 27<sup>th</sup>. And my own Lodge, Aloha Rebekah Lodge No. 253 on April 23<sup>rd</sup>. It's been an amazing adventure that I am glad I shared with all of you.

Looking forward to seeing all of you at our 132<sup>nd</sup> Annual Sessions in Seaside May 14<sup>th</sup> -17<sup>th</sup>. This year on Wednesday morning, I will be honoring our Veteran members who are attending. Our Theta Rho Girls, Eta No. 94 will be coming to sessions this year on Thursday morning like they always have and will seat the officers, do the Tribute to and seat our Past Presidents this year. If you are attending the GL sessions, please make sure to come over so they can add you to the group. Since this is where all of you started, it seems right to honor you as a Rebekah Assembly Past President. It will be a busy morning and when they're done with us, they'll go to the GL to visit!

These past 3 years have been a learning curve and also a strength builder for me. Things I never knew I could do have been done, decisions have been made I never thought I'd have to make. I'm ever so thankful to have the Past Presidents and my RA Executive Committee for support and advice. And to Mary Houle' our RA Secretary for helping me stay focused and on task. I will never look at the words "Heads up" the same way again.

I thank all of the Rebekah Lodges throughout Oregon for their courtesies. No matter what issues you may have had at the time, your welcome to me was always filled with smiles and friendship. It was great fun and a joy to visit with all of you. My wish for our lodges in Oregon is to be able to continue to make your mark in this Order. I know I'm partial, but I have a right to be. The Lodges of this jurisdiction are the hardest working I know. They've survived by dedicating and giving of themselves to others and practicing our Watchwords, "Friendship, Love and Truth"

To my Lodge, Aloha No. 253, Thank you just doesn't cover it. You have supported me through the past 3 years and I am so very grateful for everything you've done to make this adventure what I've always hoped it would be. Nobody could have better sisters or friends.

To my Grand Master, E.V. Smith Jr. It has been an honor to serve these past 3 years with you. Thank you so much for the laughter, friendship and the support that you have shared. Even when you made fun of me, I wasn't too put out. I kept telling you, your time will come. Be ready!

I wish all the incoming officers the best of luck and fun in their coming year. It will go fast, so be sure to enjoy every moment! To all of you, last year at Installation I told you this was a dream I have had for many years. I am so thankful you have given me the chance to accomplish that.. I wanted to make you proud of my efforts in representing Oregon, and I hope I have done that. It was truly an honor to serve this past year as your Rebekah Assembly President.

**With "Gratitude" & Love;**

Denice Meeuwsen,

President Rebekah Assembly of Oregon 2018-2019

Brothers and Sisters,

By the time you get this article Grand Lodge sessions will only be a few weeks away in Seaside. This will be our last year in Seaside. The Grand Lodge Statewide Meeting Committee (Host Committee) has finalized the agreement for our 2020 Grand Lodge Sessions and I have signed the contract. The change is when the Grand Lodge and Rebekah Assembly meeting days will be held. Starting in May of the year 2020 our Grand opening will be held on Thursday evening, May 14<sup>th</sup> and both the Odd Fellows and Rebekah Sessions will commence their prospective sessions starting on Friday morning May 15<sup>th</sup> and continue thru Sunday May 17, 2020. This change was made in order to see if we can get more members to attend sessions. For those who work, you should only have to take one day off of work to attend. This is a trial to see if we can have a better attendance. Please mark the dates on your calendar and come join us.

Please remember that by the time you receive this article your Lodge per-capita dues should have been paid to the Grand Lodge. Invoices were mailed out in March. This reflects the dues owed from the 2018 membership based on the annual report your secretary completed. It is important that your lodge has submitted payment for the dues owed to Grand Lodge in order to be in good standing. Lodges that have not paid the required per-capita dues on time cannot have representation at the Grand Lodge sessions. Please contact me if you have any questions.

Please remember to let Grand Lodge know if you have initiated new members by submitting an increase form to us. If you do not have the required forms then please call or email me and I will send you one. Too often we are finding out that you have new members in your Lodge because you have indicated so on your annual online report. We then cross reference the newly initiated members name in our data base and quite often find that a few Secretaries have not sent anything at all to the Grand Lodge. Please note: It is the duty of the Lodge Secretary to notify the *Continued on page six...*

## Mary Houle'

Hello Sisters and Brothers,

Sessions are in a couple of weeks and I hope to see many of you in Seaside. Sessions are May 15-17 with the opening on Tuesday evening, May 14<sup>th</sup>. There is always something to learn and do at sessions while visiting with members you have not seen for a while and meeting brothers and sisters for the first time..

If your lodge is in need of any supplies or jewel updates please let me know and I will bring them with me to sessions. Leon, our jewelry chairman, will once again be updating Veteran Jewels at Assembly so that we can save your lodge and the Assembly postage expenses.

Secretaries, thank you for all of your work, it is much appreciated. There will be a desk officers meeting at Assembly on Wednesday afternoon. Secretaries, if you will not be able to attend this meeting please let me know who will be picking up your Secretary Packet, I will not give anyone your packet unless I hear from you. I will mail out any packets that are not picked up after sessions are over. Per capita statements are going out this month. They will be in the Secretary packets that are given out at Assembly. Be sure to look for them. We also hope to have life membership checks in the Secretary packets. Incoming District Deputy Presidents will meet with the secretaries and be given instructions and packets also.

If any of you are considering running for an elected office or board position be sure to find out what the qualifications and duties are. It makes things much easier if you know in advance what is expected of you.

See you in Seaside,  
Mary Houle' Secretary

## Grand Patriarch *Lisa Corda*

What a wonderful year I have had as Grand Patriarch! There are so many positive experiences that happened throughout my year. I visited all 6 Encampments at least once if not twice. I am so appreciative of their support, hospitality and kindness.

Another highlight was the Encampment campout in Florence. We had a great turnout at the Saturday night luau with thanks to the many people who helped plan and put on the event, plus the full house in the pavilion who enjoyed the food, camaraderie and entertainment!

And yes, the sock hop to benefit the homeless has been fun with help from all units of the Order. The winning Encampment will receive a surprise prize at sessions for their efforts. I sincerely hope that Mike and future Grand Patriarchs will carry on with the sock hop.

Sincere thanks goes to all my officers and all Patriarchs. I wish Mike and his officers a very successful year. I know they will do well. There are many people who are willing to help. Just ask!

It looks like more than 60 people will be attending the Encampment luncheon on May 14. Thank you all for your support. Applications will be available for joining Encampment at the meal. We need you and I am asking!

It has been an honor to be your Grand Patriarch for 2018-2019,

Lisa Corda, Grand Patriarch

## Sock Hop Competition

May 14th will be the biggest "Sock Hop" the Grand Encampment has ever planned. You say you can't dance, that doesn't really matter because this Sock Hop won't include a dance contest.

It's not too late, keep collecting new socks (pairs are best!) bring them all to Seaside on May 14<sup>th</sup> and let's see how much good the Encampments and Lodges do when they combine and show their "Strength in Numbers" to help the homeless. Which Encampment will take home the prize and bragging rights??

## Theta Rho President *Bethany Struthers*

Hello everybody. I hope you are all well. I hope that you all stayed safe for the storms that happened these past few months. This month I was able to attend a few different activities. The last weekend in March I was able to visit Spunky Bluebirds No. 93. I would thank them for

their hospitality, and allowing not only myself, but two other girls I brought with me to help with their Installation of Officers. They asked me to be their Installing Officer, and I also thank them for their patience with me, as I had never done that job before. After we ate a delicious meal at their lodge hall, we installed four girls into office, then were able to spend the night at the head advisor, Sylvia Summer's cabin. I thank her for allowing us to spend the night there and eat breakfast there as well. I enjoyed talking with the girls and playing games with them. The next morning we went to a lake and a park where we were able to talk some more and see one of the beautiful parks of Washington. After that we went to visit a former member of Washington's JYC committee. I loved seeing her again and being able to talk with her.

In early April I was able to attend the President and Grand Master of Oregon's fundraiser. It had a decent turnout, and I thank Ron Kunze, the Grand Secretary for barbecuing for us. The food was amazing, and it was really fun getting to talk with some of the people I have not seen for a while.

The second weekend in April we had Retreat at the Olympia Lodge Hall. I thank the Rebekah and Odd Fellow lodges who meet there for allowing us to use it. It was very fun, and it was a pleasure to get to know some of the new members from the Washington clubs. All of the elected officers had fun activities there for us to enjoy and play.

During spring break we collected the litter on our designated three miles here in Lorane. Nine people participated and six bags of litter were removed under some rain showers.

Our Easter bake sale was a success even though we experienced severe high water over many area roads. Sande Maxwell and Alice Pellham conducted the sale.

Genee Heinz and Terri White, from Eugene Lodge No. 55 came and installed our new officers. They are Sande Maxwell NG, Denella Sessions VG, Tara Wigle Secretary, Alice Pellham Treasurer and Leon Houle’ as a three year trustee. It was a formal and social meeting followed by our usual potluck.

# Eugene Rebekah Lodge No. 55 Hosts the Pioneer Area Meeting

The Pioneer Area Meeting was held March 16th, 2019 and hosted by the Eugene Rebekah Lodge No. 55. Terri White from Eugene Rebekah Lodge was the Chairman and did an excellent job of welcoming all and holding a well organized and fun meeting. There were seven lodges present including the Pioneer Area's three lodges Roseburg, Eugene and Lorane and four visiting lodges, Aloha, Pearl, Holly, and Rose City. We were served an amazing lunch that left many of us overstuffed with yummy sandwiches and salads topped off with cookies. Rebekah Assembly President Denice was in attendance and after receiving the

Honors gave a great speech and answered questions including many regarding life membership. President Denice also presented Bethany Struthers from Lorane Rebekah Lodge with her Certificate of Perfection. The meeting was closed in the Rebekah Degree after an invitation was extended by Tara Wigle from Lorane Rebekah Lodge to attend the 6th Annual Pioneer Area meeting, date, time and location to be announced.

# News From Jesse T Jones Park

When President Denice Meeuwsen visited the Cosmos Area meeting sponsored by Rose City Rebekah Lodge No. 170, Shamrock Rebekah Lodge No. 113 did a skit in her

honor. Those participating were Janie Long, Janice Straub, Inez Kennedy and Joyce Steiner. The dog and cat show brought a smile from Chairman Bob Worthington!

As I am writing this the rain is pouring down again. But, this morning 15 hardy, wonderful souls came to help with the Park work day. God again blessed us this year with cloudy skies until we were finished, and then he let the rain pelt down. I am very grateful for the help and it gladdens my heart to see members help making the park their own. Memorial Day is just around the corner and we are going through the wait list to fill sites. It takes some time, as we don't always receive a reply back for a week or so. Hopefully by the time this letter is out we will be all filled up again and ready for the holiday. Look to the web page the second week of May for the schedule of events, and we will see you there!
